

## **More flexibility and money savings for the Ardyss International return and exchange policy.**

We would like to announce that you **no longer need to include the \$7.00 Money order in your exchange**, the charge will be made once we resend your product as an exchange. We are also eliminating the policy that requires you to only exchange your garments for another garment of a different size. Our goal is to save you money, give you more flexibility, and at the same time speed up your money making opportunities.

As of today, our new return and exchange policy goes into affect. You will read in our new policy below, when we receive your exchange garment in brand new condition, you will no longer be forced to simply exchange your garments for a garment of a different size. Instead, **you can order any other product you like within 8 days** or 100 percent credit on screen to use to purchase any items available through Ardyss International. This will allow you the flexibility of getting any Ardyss product of your choice as opposed to being limited to just one garment. Along with this and the elimination of the \$7.00 exchange fee, Ardyss will continue to improve our service and flexibility to the Ardyss family.

### **EXCHANGE & RETURN POLICY**
